Dear Mr. Buchanan and Mr. Watts:

As we discussed previously, the CD downloaded from Steve Campbell's PC #1 provided to us by the Harrison County Sheriff's Department did not have any videos on it. This CD did contain a series of color photos, most of which were from Steve Campbell's vacation. As we discussed, there are color photos of two Harrison County Adult Detention Center inmates, one of whom was a white male dressed in prison clothing and the other a black male inmate not in prison clothing. Neither of these inmates were your clients. There was also a series of pictures depicting an investigation of a Harrison County Sheriff's Department patrol deputy involved in a shooting. Pursuant to our previous conversation, we are not providing the photos from this CD.

After viewing these photos, we reviewed the CD with other software and discovered that there were numerous documents on this CD. These documents include Internal Affairs Investigation Reports, and other documents which refer to the investigation of personnel matters, smuggling of

contraband into the jail, and patrol division investigations, etc. Enclosed please find a copy of each one of the documents from this CD, along with an index identifying same. Due to the sensitive and confidential nature of some of the information in these documents, please shred any documents you do not believe are relevant and let me know which documents you believe are relevant and intend to use at trial.

Very truly yours,

A handwritten signature in black ink, appearing to read "Joe C. Gewin", is written over the typed name.
